

READY IS THE ONLY OPTION.

(866) 920-5940 | gharmorsystems.com

GH Armor customers experience a first-time fit rate of over 98% for custom-sized body armor. Training and support are available to ensure accurate measurements that are necessary to manufacture a product that provides proper fit and coverage. GH offers a variety of resources to support the sizing process.

SIZING RESOURCES

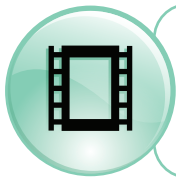

GH representatives are available in most states to assist with product demonstration and on-site sizing. To locate the representative in your area, contact Customer Service at (866) 920-5940 or customerservice@gharmorsystems.com.

A 60 Day Fit Guarantee is available for custom sized body armor. The policy offers one free alteration within 60 days of shipment. For more info, visit gharmorsystems.com/60-day-fit-guarantee.

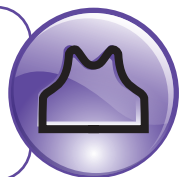

Sizing kits are available upon request. Kits include male and female sizing forms, a copy of our 60-Day Fit Guarantee policy and a cloth measuring tape. To request a sizing kit, visit gharmorsystems.com/sizing-information.

Measurements may be submitted online. Online submission eliminates transmission of paper forms and provides a reference number for inclusion on purchase orders. For more info, visit gharmorsystems.com/sizing-submission.

Male and female sizing videos provide a comprehensive demonstration of the sizing process, including measurement protocol and sizing form completion. To view the videos, visit gharmorsystems.com/sizing-submission.

Panel dimensions are required for some orders. To learn more about the process and submit dimensions online, visit gharmorsystems.com/panel-submission.
